

Hand Crocheted Nativity Scene

Hand Crocheted Nativity Scene by
displaced artisans in a conflict zone

with love from Mothers, Daughters, Sisters & Wives
of the Skilling Circles of Afghanistan

It's Christmas Time!

Circa: Bethlehem, 6 to 4 BC

Mary did you know your family would be internally displaced?

A rough terrain on your escape you would face?

Mary did you know your baby boy would be born in a conflict zone?

A harsh winter, no warm clothing, no bed, yet His sonship shone

Mary did you know a star would shine?

the brightest in the whole skyline?

Shepherds and Kings would bow before Him?

But they would not fathom; no trumpet, no hymn?

Circa: Kabul, 2024

Mothers did you know your families would be internally displaced?

A rough terrain on your escape you would have to face?

Today Mary's baby boy still has no place to lay His head

It's still a harsh winter with no food and no bed

Mothers, daughters, sisters and wives face violation, instability and abuse

The world watches, but to intervene they refuse

Pastoral care is what we work hard to give them

With generous donor support, JRS shepherds them in this mayhem,

Like the wise men we bring them skill sets

To survive the conflicts, the cold and family debt

Some day we hope these wars will end

That peace and prosperity to the region, Mary's baby boy will send

Wishing you a blessed Christmas 2024 and a Happy New Year 2025

-The JRS Afghanistan team!
